ITS Fiber Employees honored our “sister company”, Indiantown Company and its staff who will become employees for the Village of Indiantown starting October 1, 2020.

Indiantown Company and ITS have been under the same parent corporation, Postco, for over 60 years. A festive lunch was held at the Indiantown Civic Center reflecting on the journey of ICO over the years, focusing on all the positives of each employee, and wishing them the best in their new venture with the Village.

Although ITS Fiber is sad about ICO team departing, we are happy for the opportunities that lie ahead for all of them.
