Items	Description	Cost
AE Player Rewards Tablet Participation and Location access to Accel's Loyalty Engine	Monthly Participation Fee	\$25.00

Location agrees to pay the \$25/Month Participation Fee ("Monthly Fee") for an In-Location Tablet to be used for Accel Entertainment's AE Player Rewards Program ("Rewards Program") and access to Accel Entertainment's Loyalty Engine ("ALE").

By agreeing to Monthly Fee, each Location will receive (or retain, if already received) a registration kit containing all components needed to run Rewards Program (including, but not necessarily limited to, tablet, stand and hardware (together "Items"). Items are to be used for Rewards Program only, and not for any additional or unrelated content.

Monthly Fee to be taken out of Location's monthly revenue statements. This is an ongoing agreement. If you wish to remove Items from Location and discontinue access to ALE at any time, please communicate your wish to opt-out to your Relationship Manager. Depending on when notification is provided, Location may still be responsible for partial or full Monthly Fee payment for that month.

If Location is in possession of Items from participation in a past Accel Entertainment-sponsored sweepstakes, but no longer wishes to have Items at Location, Location's Relationship Manager will collect Items from Location. Once removed, in order for Items to be returned to Location, Location must complete a new Location Acknowledgement Form via paper or web form.

Rewards Program and Items described herein will be provided in accordance with the Video Gaming Act and the rules and regulations of the Illinois Gaming Board ("IGB"), (collectively, the "IGB Rules") and any amendments thereof. In the event that the IGB modifies the IGB Rules, or if otherwise requested by the IGB, Rewards Program and/or Items may be modified accordingly. Rewards Program and/or Items offered herein are subject to change at any time in the sole discretion of Accel Entertainment.

PLEASE NOTE: Owners and individuals disclosed on the Location's IGB application (i.e., officers, video gaming manager, etc.) may be eligible to participate in Rewards Program or win prizes associated with Rewards Program, but may not enter Rewards Program to win any prizes at the Location they own or are listed on the application of.
