BARRON HENLEY

Most people wouldn't relish the idea of spending a day in a conference room, teaching legal professionals how to manipulate PDFs. Barron is not most people. There are few things Barron enjoys more than teaching all-day software training classes.

As an attorney, he understands how challenging it is to practice law without the proper training on the technology tools. When Barron isn't training he focuses on automating documents and teaching CLE classes for attorneys across North America.

PAUL UNGER

Paul's passion is coaching lawyers on managing time, distractions, tasks, emails, and documents efficiently. As the author of *Tame the Digital Chaos – A Lawyer's Guide to Time, Task, Email and Distraction Management*, Paul is truly an expert on the topic.

Paul's expertise is well-founded from his time practicing law. When Paul isn't coaching lawyers, he teaches CLE classes for attorneys across North America.

DANIELLE DAVISROE

Passionate about remote learning, Danielle is the force behind Affinity's membership training program, Affinity Insight. Danielle focuses on creating easily accessible training materials and webinars tailored to meet each organization's needs. From one-on-one training to organization-wide training plans, Danielle has her clients covered.

When Danielle isn't providing remote training, she focuses on teaching CLE via webinar and providing legal organizations with the advice they need to run smoothly. With a background practicing law at a boutique firm, Danielle understands the challenges that legal professionals face every day.

18 REDACTION

Can't find it? Something missing? Instructions not clear? Email manuals@affinityconsulting.com.

IMPORTANCE OF PROPER REDACTION

The importance of properly redacting a document cannot be understated. **Using the Redaction tools, as described in this chapter, is the only proper way to redact information.** Any other method may result in the disclosure of redacted information. One merely needs to read the news to see prominent attorneys in trouble for improperly redacting documents.

SAVE A COPY FIRST

Start by creating a copy of your PDF. **Redactions cannot be undone unless the PDF is closed without saving changes.**

TEXT-SEARCHABLE PDF: SEARCH AND REDACT

To search for text and redact, select **Protect ribbon** → **Mark for Redaction** → **Search and Redact**.
