# Ubicación

## Un oasis en el corazón del valle

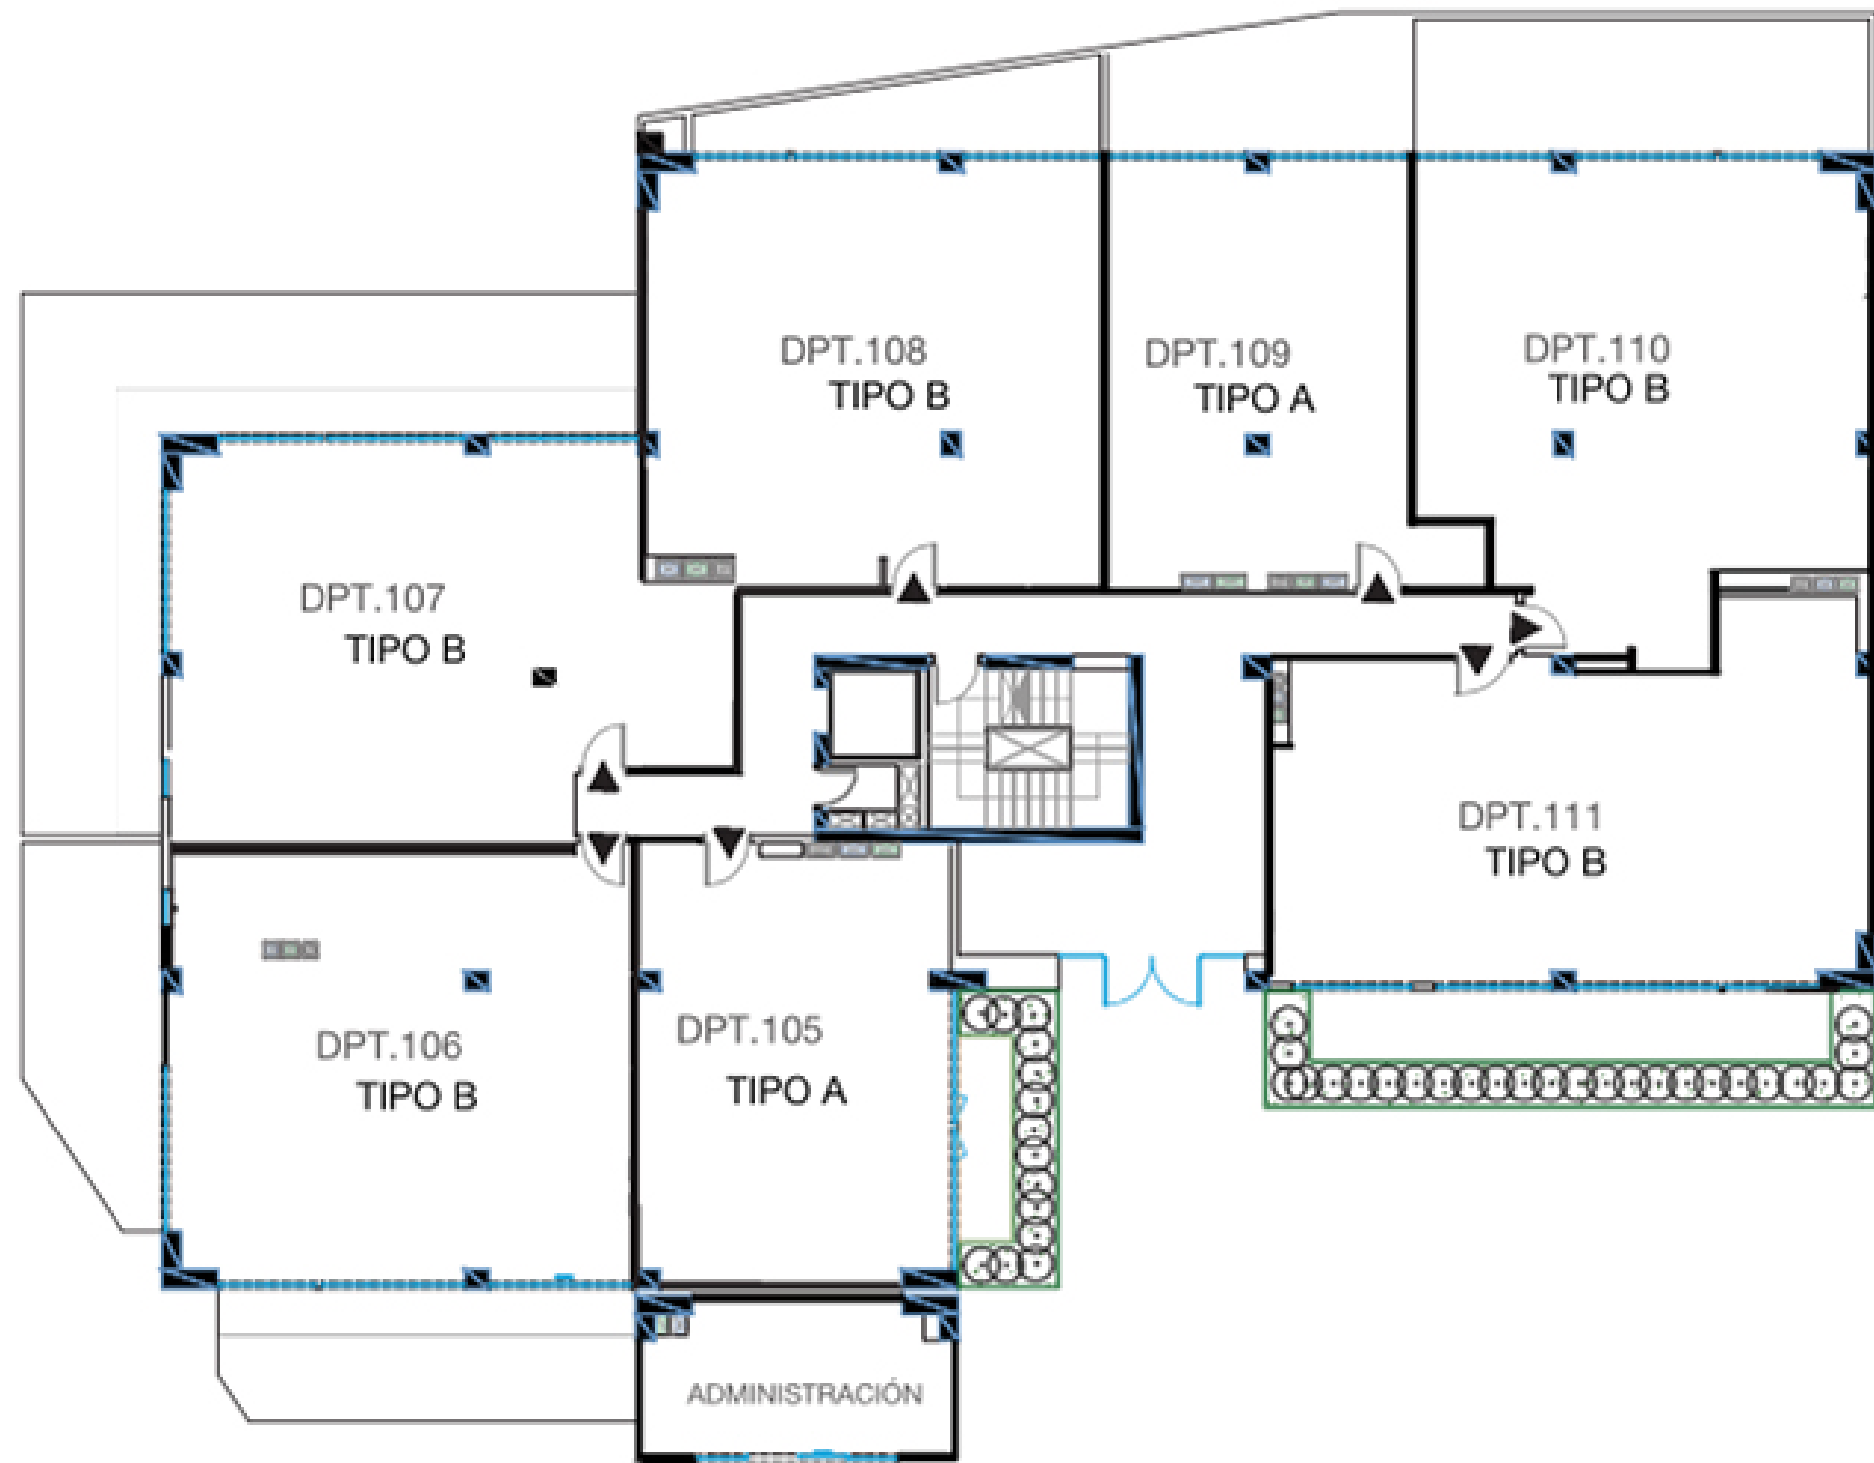

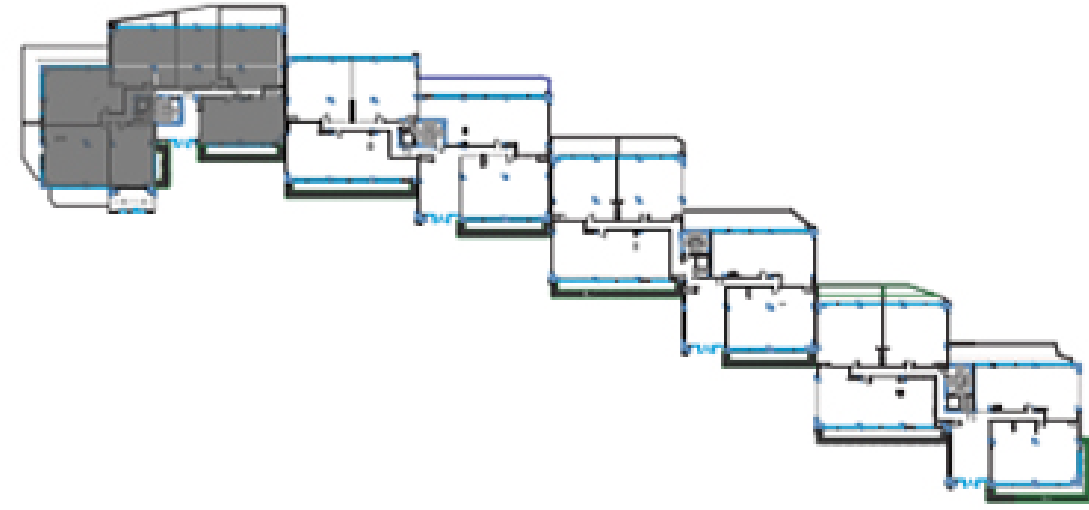

Los valles de Cumbayá y Tumbaco abren sus puertas para convertirse en un hogar especial a 2.200m. de altitud y que se distingue por su geografía, flora y fauna, esto ha permitido un desarrollo social y económico en su entorno lo que hace que de manera inmediata tenga acceso a espacios que satisfagan tus necesidades y las de tu familia, lo que lo convierte en una zona ideal para vivir.

Es así que con Aurora vamos más allá de un conjunto habitacional en un valle, hemos seleccionado la mejor ubicación con un clima privilegiado, con espacios de luz únicos y prestaciones inteligentes que garantizan calidad, respeto al medio ambiente, diseño y construcción de vanguardia, todo en un solo espacio enmarcado en estándares estrictos de sostenibilidad y sustentabilidad.

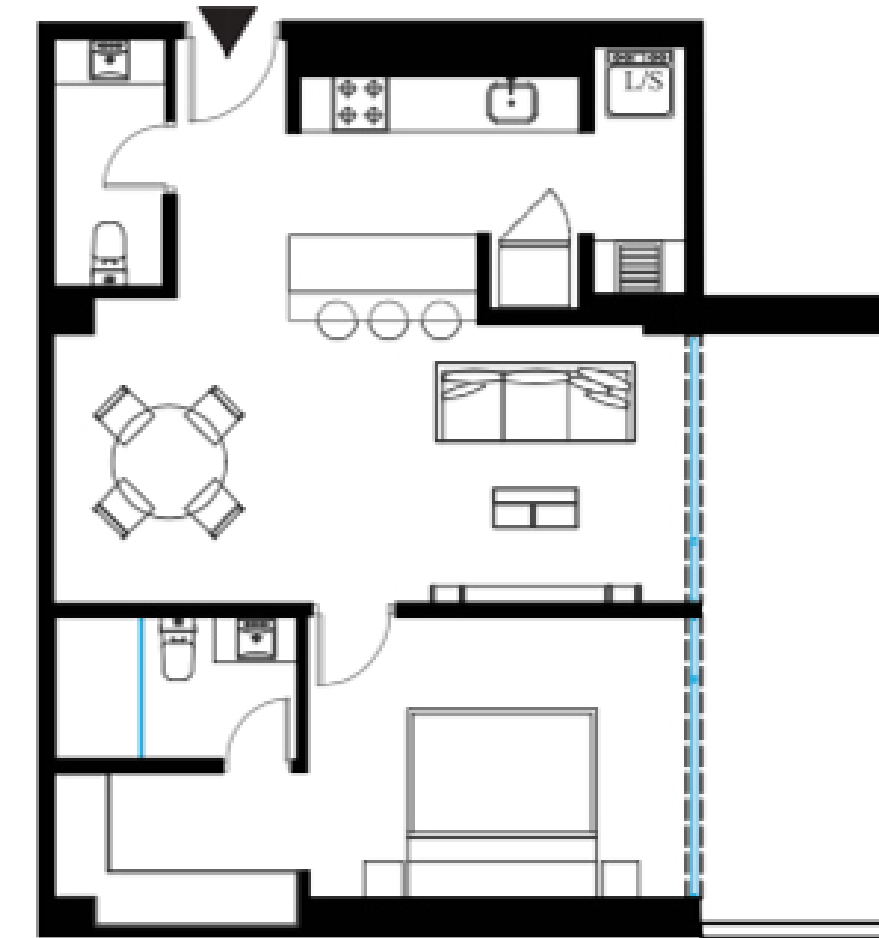

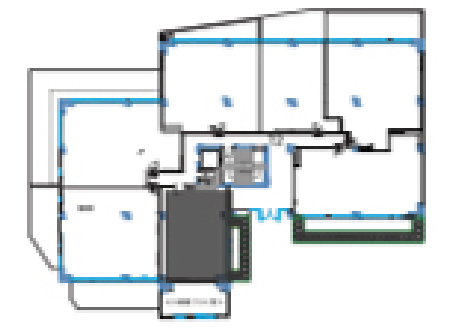

Los beneficios de estar en medio del campo, pero cerca de todo saltan a la vista, porque Aurora te permitirá desarrollar tu vida sin salir de tu hogar.
