## Vet Tech Student Resources

*Click on the sections below to be taken right to the corresponding resource. You can also access all of these resources and more right from the help section of your student portal!*

- 1. Success Coaches**

Our Success Coach team is here to offer help, guidance, and motivation as you work through your classes. Call 833-VET-PENN or email [successcoaches@pennfoster.edu](mailto:successcoaches@pennfoster.edu) to connect.
- 2. Virtual Library**

The Virtual Library is a valuable source of links to help with coursework, research papers and more! Over 3,000 eBooks, articles and other virtual information. Students can access Vet Tech specific resources as well as other general topics.
- 3. Learning Resource Center**

The Learning Resource Center provides answers to a variety of questions including tips for being a successful Vet Tech student! Addresses writing, externships, proctored exams and more!
- 4. The Writer's Block**

Struggling on a writing assignment? The Writer's Block adds additional support as you develop writing skills. Both virtual resources as well as tutors are available!
- 5. Recorded Webinars**

Questions on a specific topic or subject? Live webinars are recorded by our instructors and are saved here so you can refer back at any time! Updated daily!
- 6. Recorded Lectures**

Questions on a specific subject? Lectures recorded by our instructors on specific Veterinary classes are saved here so you can refer back at any time!
- 7. Live Webinars**

Listen in and have an opportunity to ask specific questions and get live feedback from your instructors on various Vet Tech related topics. While attendance is not required for 1st and 2nd semesters we highly encourage you to participate! 3rd and 4th semester students will have a separate schedule they received upon starting their semester.
- 8. Externship Tips**

Goes through every skill individually and provides you helpful tips to guide you through your externship process
- 9. Externship Model Recommendations**

We understand that this externship is a learning process and no one is perfect on the first try! This resource goes through every skill individually and provides practice strategies so you can be successful in the learning process!
- 10. Instructors**

Have specific questions on an assignment or struggling with a specific subject? Our instructors are here for you, schedule a time to talk with them!
