

# Echo Eliminator- ACO-U-STICK™

The Do-It-Yourself Acoustical  
Wall Tile

## ACO-U-STICK

ACO-U-STICK panels are the easiest and most cost-effective way to add effective sound absorption to any area. These mini-panels are a great solution for reducing echo and loud sounds in gymnasiums, auditoriums, studios, hallways, basements, churches, offices, and more. These easy-to-install panels come with everything you need to mount them. Aco-U-Stick panels are made with eco-friendly recycled Bonded Acoustical Cotton, making them environmentally friendly with no VOC's.

STOP NOISE
