REDEFINING MOVEMENT
SEATING FOR
EDUCATION SPACES

THE NXT MOV[®] IN STUDENT SEATING

Studies show that activity permissive learning spaces help prevent student fatigue and promote engagement. NXT MOV[®] brings both movement and comfort to schools, providing kids with a better chance to realize their potential.

FOUR LEG CASTER

Take the chair to where the work is.

CANTILEVER

Comfort and convenience: the total package.

TASK CHAIR + STOOLS

Gas-lift and four-leg stools take you to new heights of comfort.

Ergonomics and Industrial Design
Merge to re-imagine style and comfort in a ground-breaking, patented design.

Ledge for Resting
Provides comfort in different sitting positions. Also doubles as a hand-hold!

Starburst Perforations
Allows for more air circulation.

Comfort and Strength
360-degree seat pan motion. It rocks in every direction!

2-Part Shell Design
Seat back moves independently from seat, allowing the body to move in many ways.

★Four Leg Caster

Casters That Make Your NXT MOV® Easy!

Chairs with casters support ease of movement and transition.

Color Coordination

Choose a single color for seat and back, or mix-and-match.

★Cantilever

Made in U.S.A.
