ESSER FUNDING CRITERIA

1	Tackle learning loss and accelerate learning
2	Accommodate the social-emotional needs of students and teachers
3	Provide safe, healthy spaces for your students and accommodate new public health protocols
4	Provide solutions for continued remote or blended learning

In today's learning spaces:

- ✓ Promote wellness by providing standing height work surfaces in the classroom. (1,3,4)
- ✓ Configurable work surfaces are flexible and can be pulled apart or pushed together to create the optimal learning environment. (1, 2, 3, 4)
- ✓ Individual work surfaces allow students to pull away from groups to focus and practice skills or work on blended learning activities. (1,4)
