

connect the dots planning for today, preparing for tomorrow

artcobell

Artcobell is excited to offer a virtual learning session to explore how classroom furnishing can create innovative spaces for learning.

*Presented by Patricia Cadigan
Vice President of Learning Environments, M.Ed.*

Spotlight:

- ☑ Plan for today and prepare for tomorrow's classroom needs
- ☑ Dive into multi-functional classroom layouts and research-based concepts needed for your community of learners
- ☑ Explore furniture solutions live from the Artcobell showroom in Temple, Texas
- ☑ Learn how Artcobell products can help create the learning environments you need to connect the dots between teaching and learning
