

take a tour innovative spaces for learning

artcobe

Artcobe is excited to offer an interactive virtual learning session that will take you on a tour of modern classroom layouts.

*Presented by Patricia Cadigan
Vice President of Learning Environments, M.Ed.*

Focus on what interests you

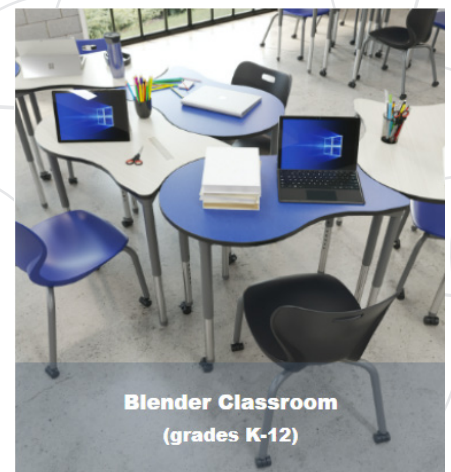

- ☑ “Walk” through some of the most innovative, modern classrooms
- ☑ Explore how classroom furniture can support collaborative, individual, and project based learning
- ☑ Evaluate furniture layouts to support teaching and learning strategies
- ☑ Learning centers within the classroom to differentiate learning activities
- ☑ Flexible seating allows student choice and promotes comfort
- ☑ Classroom furnishings supports technology in today’s classroom

All-in-One Classroom
(grades 5-12)

Endless Classroom
(grades K-12)

Blender Classroom
(grades K-12)
