

ON-SITE SAFE RIGGING CLINICS

For safer and more efficient lifting operations

The custom-designed Rig Smart Trailer delivers valuable, practical hands-on rigging training and product demonstrations at your job site.

Our live load demonstrations are conducted by our own product trainers and experts, offering insights into key aspects of safe and effective rigging best practices.

Each attendee will have an opportunity to learn and share their knowledge and experience during the visit.

If you would like to request an on-site clinic, please visit rigcrosby.com
