

Great teams work together. The best teams collaborate with Trint.

Collaborating in Trint puts everyone on the same page, so your team can nail deadlines, streamline tasks and keep work moving.

1. Work simultaneously

Get work done faster with up to 20 collaborators, editing, finding and understanding key moments.

2. Discover, find & track

Efficiently unpack critical themes with tools to identify, track and verify the contents of a transcript, with everything held in one source of truth.

3. Share with the world

Quickly get the word out in the formats you need, through export, Zapier or APIs - however you need to move work forward.

- ✓ **Multi-user editing** to stay on track
- ✓ **Real-time** updates & syncing
- ✓ **Version History** for reference and auditing

- ✓ **Comments to pick key moments** or keep track of emerging trends
- ✓ **Highlights** to identify key themes
- ✓ **Find & Replace** for quick search

- ✓ **Export highlights only or full transcript**
- ✓ **Share with colleagues & set permissions**
- ✓ **Share a read-only public link**
