

## Expand Trint's dictionary with your customizable Vocab Builder

Industry jargon, specialized terminology and unique names can impact the accuracy of your transcript.

Vocab Builder lets you create your own dictionary of custom words for improved accuracy.

### 1. Teach Trint your vocab

- Add up to 100 unique entries
- Save custom words and terminology
- Add multiple words for popular phrases

### 2. Help us speak your language

- Save custom words in multiple languages
- Add proper nouns or country specific words
- Use Vocab Builder for all 31 languages supported by Trint

### 3. Speed up your workflows

- New words are instantly saved and ready to use
- Save time perfecting transcripts
- Publish content faster with fewer edits

#### Security

Your data and security are our top priority which is why no one sees your data but you. Our ISO 27001 certified platform offers best-in class security.

#### Support

Our dedicated Customer Experience team is on hand to help you get the most out of Trint.

#### Integration

Use our powerful APIs to connect Trint to your most used systems to power your onward workflows.

World-class teams collaborate with Trint
