

Your step-by-step guide on how to integrate Zoom

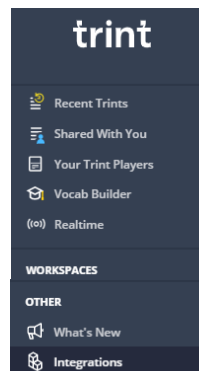

Hook up Zoom to capture and transcribe your meeting recordings.

Stay focused

Feeling the Zoom Boom? We've got you covered. Integrate Zoom to your Trint account and say goodbye to note-taking. Connect Zoom in just three easy steps and let us do the transcribing.

1. Get started

Log into Trint and open *Integrations* in the left sidebar, then click *Connect* in the top right corner.

Connect with Trint!

Connect Trint to your other tools and services to unlock exciting new ways to work!

 Connect with [Zoom](#) to view and transcribe your meeting recordings.

2. Set up Zoom

Sign into Zoom and allow Trint access to your Zoom account.

3. Start transcribing

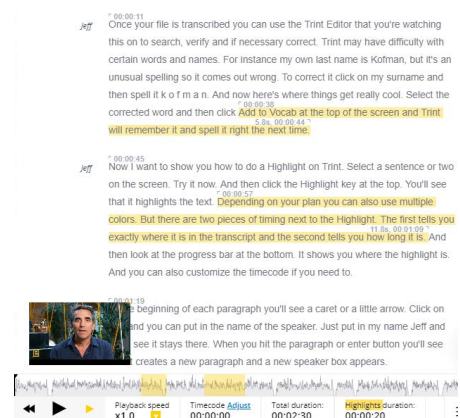

Head back to Trint and select *Your Trints* in the left sidebar. Open the *Zoom Cloud Recordings* folder and hit the *Transcribe* button to start transcribing your Zoom meetings.

4. Capture the important moments

The Trint Editor makes it easy to search and highlight key moments, takeaways and action points from your meetings.

Get everyone working from the same page with instantly accessible and shareable transcripts.

Access your meeting notes instantly

Staying focused in meetings and interviews while taking notes can be tough. Let Trint do the transcribing for you, so you can focus on what's important - being present. Get your meeting notes, instantly with Trint.
