

Edge Bounce Case for iPad 10.2" (7th Gen)

The Edge Bounce Case for the 10.2" iPad (7th Gen) is designed for those students that need a little extra protection when it comes to their devices. It's designed for early elementary classrooms with new and improved design elements that will help combat the K-12 environment. This case offers a large, easy-to-position handle which doubles as a viewing stand, an enlarged asset tagging window, and optimized Crumple Zone Corners.

Drop tested to exceed military drop-test standards (MIL-STD-810)

FEATURES

- Asset tag window and serial number visibility
- Protective underlay to prevent scratches
- Less than 1" thick - fits most charge carts
- Handle also acts as stand for viewing and typing modes
