

## THE NEW ZIOSK MINI

# THE NEXT BIG THING IS **MINI**

Are you looking to deliver a superior guest experience with minimum table real estate? For restaurants looking to add a tabletop device with limited space, Ziosk Mini brings the features of the Ziosk Original Tablet in less than half the size. This portrait-mode experience offers big functionality for guests and restaurants in a smaller package.

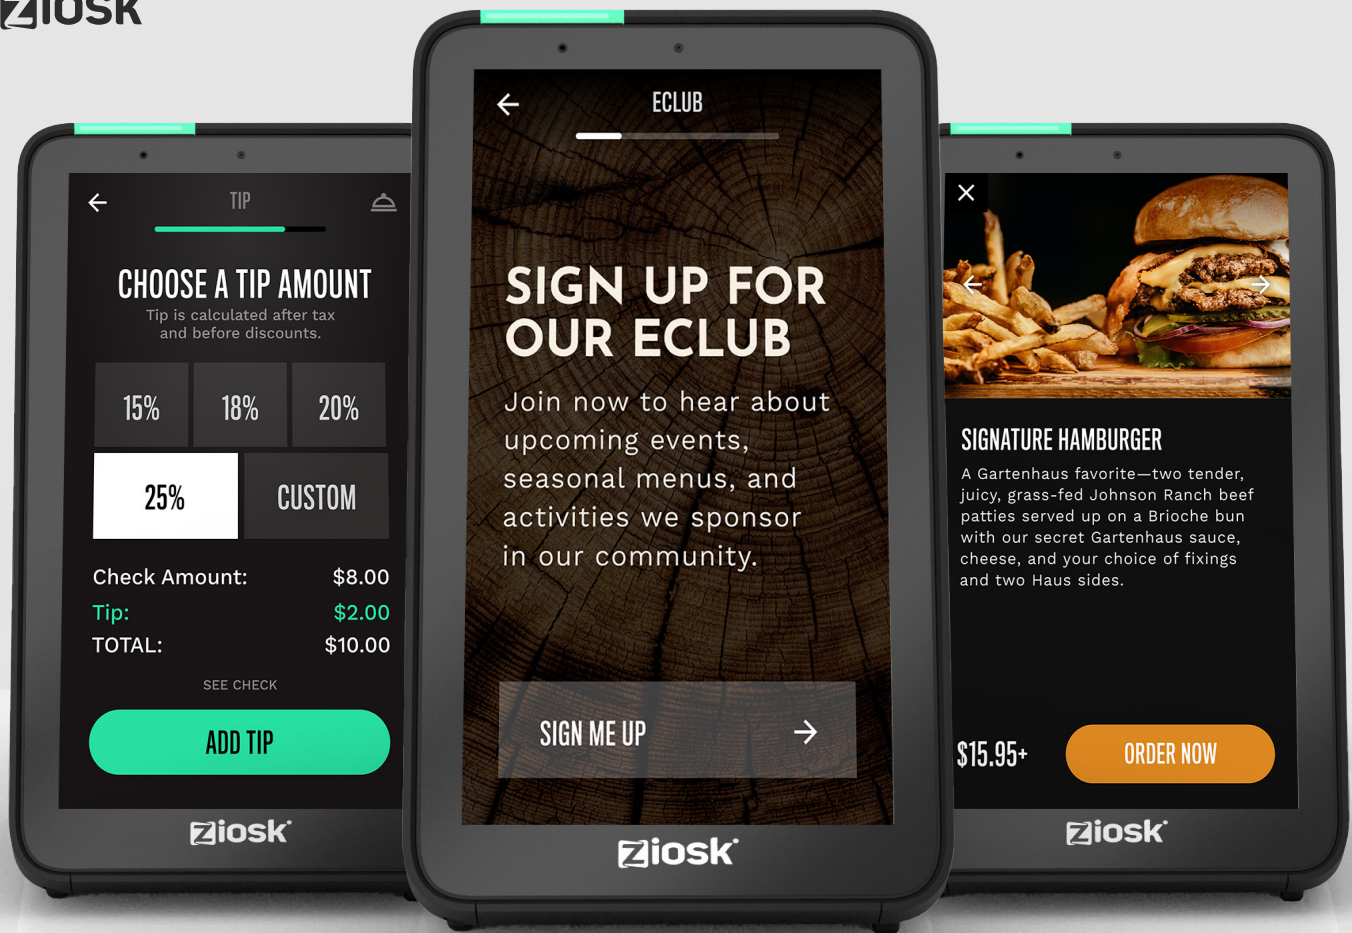

## Feature-rich and future-ready

- 60% smaller footprint than Ziosk Original
- The only portrait-mode tabletop tablet on the market
- Perfect for two-tops, bar areas, polished casual and more
- Guest-facing browse menu, order items and pay check on demand
- Highlight featured menu items with promotions throughout the dining experience
- Secure, contactless payments including EMV, NFC & has P2PE and bar code support
- Supports all mobile wallets: Apple Pay, Google Pay, and Samsung Pay
- Loyalty/Eclub enrollment to drive frequency
- Post-Dining Survey to gather guest and team insights
- Customizable Branded UX
- Ruggedized for the restaurant environment
- Can work seamlessly with other Ziosk form factors or on its own
- Delivers FOH Operational Efficiency, Labor Savings, Actionable Insights, Guest Frequency and a Superior Guest Experience

**Good things do come in small packages.**

Ziosk Mini has a sleek form factor to wow your guests and complement your servers.
