

# Everything you've wanted in a payment program

## ZIPS is your fast, painless, and secure payment solution

- White Label Program
- True Pricing Transparency
- Control of Merchant Experience
- No Integrations Required
- Easy Implementation
- 3x Your Current Residual

Ziosk has long been an innovator in the restaurant space by giving guests control of their dining experience and providing operators with secure payment solutions. Now that innovation is expanding to serve software vendors with a one-of-a-kind ISV enablement Payment Facilitation program.

**Ziosk Integrated Payment Services (ZIPS)** offers software partners the ability to access our payment facilitation platform without dedicating significant time, financial expenditure or development resources.

Payments are complex

**ZIPS provides Simplicity**

Merchants need growth

**ZIPS provides Capability**

Partners need new revenue streams

**ZIPS provides Opportunity**
