

# Update 48 Hours

1. Click Settings
2. Click Rate setup
3. Click Setup additional rate add-ons and fees
4. Type 48 in the search box.
5. You'll see an add-on called Less Than 48 Hours.
6. It should say today's date to two days from today under schedule.
7. If not, correct the dates by clicking the small pencil icon.

The screenshot displays a web application interface for managing rate setups. A modal dialog titled "Edit Schedule" is open, showing the following fields:

- Name: 48 Hours
- Type: Date range
- Start date: 11/27/2021
- End date: 11/29/2021

Buttons for "Close" and "Save" are visible at the bottom of the dialog. The background interface shows a sidebar with "Settings" selected, and a main area with a table of rate add-ons. The table has columns for Name, Type, and Amount/Percentage. The "Less Than 48 Hours" add-on is highlighted, with a search box containing "48".

Name	Type	Amount/Percentage
