

New Driver Bonus

New drivers who pass the background check and continue to do rides are eligible for a new driver bonus after 30 days and 90 days. This bonus will be added to their check as long as they remain an active driver and pickup their driver id from PHX or the City of Dallas.

The amount is \$100 for full time and \$50 for part time.

Full time is generally more than 30 trips averaged over the last two pay periods. Part time is generally less than 30 trips averaged over the last two pay periods.

Please text Daniel (602) 859-6162 your driver id from PHX or the City of Dallas once at the end of 30 days and 90 days as a reminder, and it will be added on the next payday.
