

VIRTUAL MEETING

BINGO

"What was that? You cut out there."	(Child comes into screen)	(Colleague talking while on mute)	"Did you get the link I sent in the chat?"	(Pile of laundry in the background)
(Can only see forehead)	(Doesn't realize they're still on video)	(Asks for feedback) (Crickets)	"Do you want to stay on the line since we're meeting right after this?"	(Stays muted for the entire meeting)
(Waves hello or goodbye instead of turning off mute)	"Can you hear me OKAY?"		"Are you in the car?"	"I'm getting an echo, can you mute?"
"Sorry, my Wi-Fi is spotty today."	"Can you share your screen?"	(Someone eating or drinking) (Loudly)	(Someone's video is frozen)	"Oops, sorry go ahead. No, you go."
(Awkward background image)	(Dog barking)	(Disappears into the virtual background)	(Someone talking to their roommate) (Unmuted)	"Is someone typing?"
