

WHY CLEVER?

There are many reasons to choose Clever Devices

We innovate

Over 60% of our organization is focused on R&D and product development. Our solutions are constantly evolving and growing to meet the needs of transit.

We listen

We work with you to understand your unique business and build a custom solution designed just for you.

We problem solve

All of our solutions are developed with the specific challenges of our agency partners in mind.

We support you

Our modular solution lets you roll out new technology all at once or over time. Build your ITS infrastructure as funding allows.

35 YEARS OF EXPERIENCE

We have a proven track record of success.

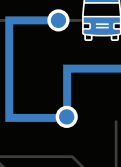

We have won more RFP's in the past decade than any other provider.

300+ CUSTOMERS

Our customers range from

5 VEHICLES

TO OVER 6,000

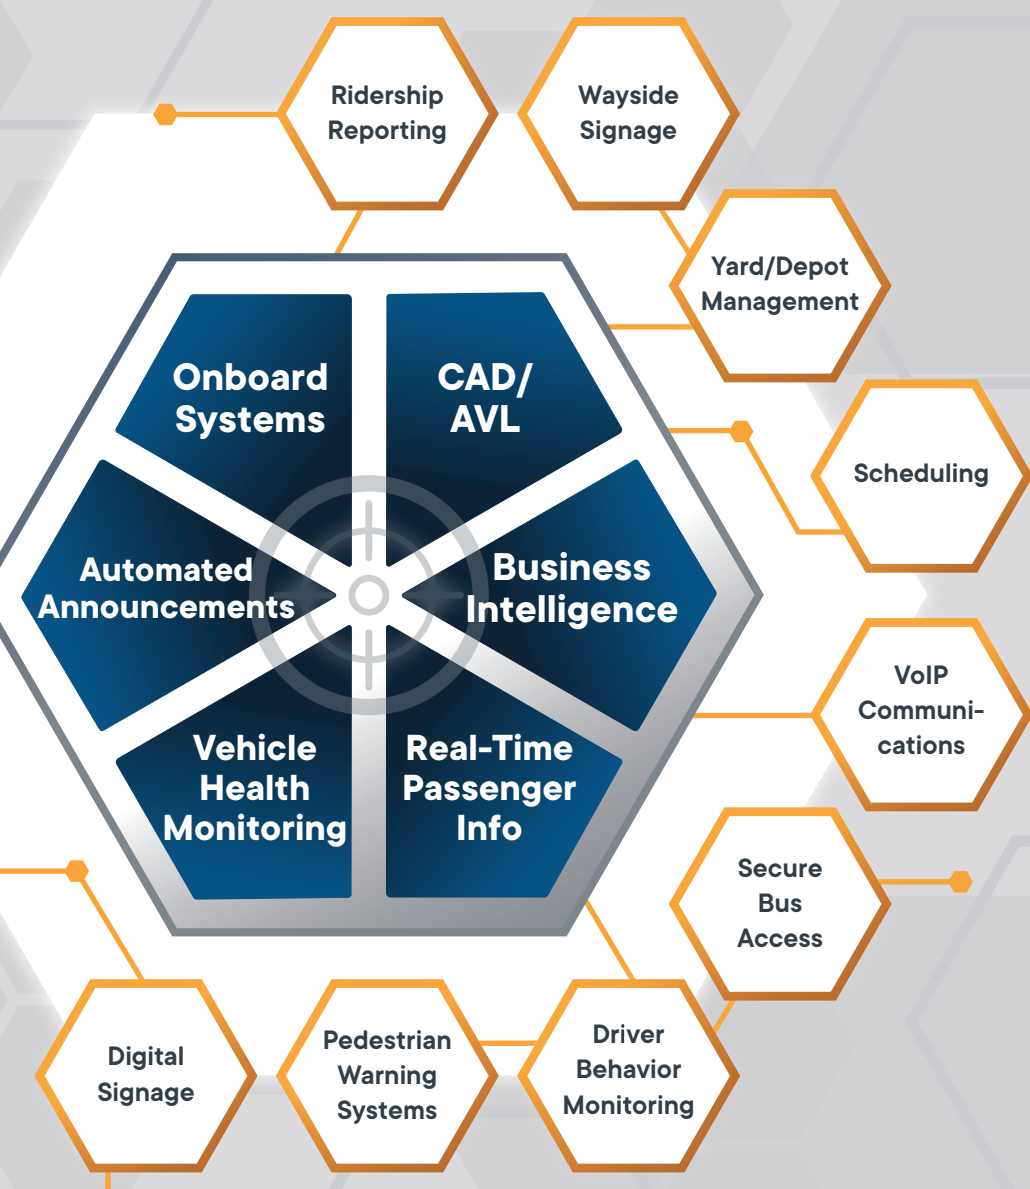

Over

50%

 of North America's top agencies choose Clever, including 5 of the top 10 largest.
