

TRACE3 ANNOUNCES NEW PRESIDENT, INDUSTRY VETERAN JOE QUAGLIA

Expertise in large scale growth to support the company's portfolio of client relationships and emerging-tech inspired solutions

Irvine, Calif. – January 12, 2022 – Technology solutions provider Trace3 expands its executive team with the addition of Joe Quaglia as President, who will work alongside regional sales teams to expand sales and solution capabilities to support Trace3 clients and partners.

“Joe has been in the industry for 34 years and brings tremendous experience that will assist Trace3 in continuing to grow and expand its role in the industry,” CEO Rich Fennessy said.

Previously, Quaglia served as President of the Americas and Global Services for Tech Data Corporation, leading sales, operations, and client success across the region and globally. His success was fueled by his expertise and ability to build strong relationships with leading IT solution providers and manufacturers in the industry.

“I’ve been a partner of Trace3’s for many years and admire the company’s business model,” Quaglia said. “It has one of the strongest value propositions in the industry and a true client-first culture. I am pleased to join the team for this exciting next phase of growth.”

In addition to helping Trace3’s growth and capabilities expansion, Quaglia has a passion for culture and driving sustainable, values-based organizational health that aligns with Trace3’s long-standing mission to lift and secure the lives of clients, employees, partners, and communities.

About Trace3

Trace3 is a premier provider of consultation services and advanced technical solutions. Founded in 2002, Trace3 empowers organizations to embrace the ever-changing IT landscape through elite engineering and dynamic innovation.
