Comprehensive and Robust Attorney Scoring

Using AI models, we can rank your attorney based on costs, settlements, and more. Featuring a performance scorecard for counsel on a broad set of claims outcome indicators. The AI models powering these scores learn and train on a large volume of data to ensure fairness in scoring.

Panel Optimization

Legal panel managers now have access to CLARA's industry wide attorney performance scorecard. Proactive panel managers can utilize these score cards as a means for defense panel selection and performance management.
