

The logo for AInBC, featuring the letters 'A', 'i', 'n', 'B', and 'C' in white. The 'A' has a red square above it, the 'i' has a green square above it, and the 'C' has a green square to its right.

Artificial Intelligence Network of  
British Columbia

# DRIVING BC'S GLOBAL LEADERSHIP IN AI

## OUR FOUNDING SPONSORS

AIInBC is a non-profit BC society. Our mission is to unify, organize and catalyze the Artificial Intelligence (AI) and Machine Learning (ML) communities in British Columbia (BC) to establish BC as a national and global leader in AI/ML by 2022.

## OUR PROGRAMS

We work with government to attract capital and R&D investment to the province.

We are building a more robust ecosystem to attract top level AI/ML talent.

We gather and provide data to startups and host events to foster collaboration.

We are working with the province's top universities to train BC's AI workforce.
