

OMNIstore – price overview and ordering licenses

1. Log in to your DatabeatOMNI account
2. Select a Customer from the list or stay at your partner account
3. Go to locations and select the location where you want to order license
4. Press shopping cart
5. Confirm information
6. Select license and/or additional products
7. Check out

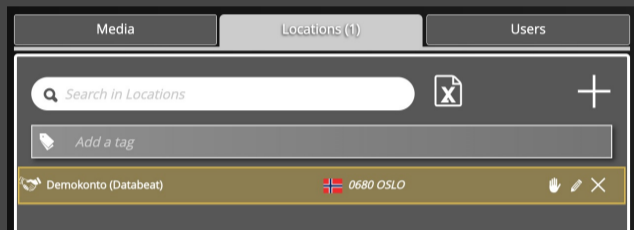

1. Log in to your DatabeatOMNI account

2. Select a Customer from the list or stay at your partner account

Notice: If you are ordering licenses for yourself as a partner, you can stay on your account. If you are buying licenses for your customer, you must enter the customer account before making a purchase.

3. Go to locations and select the location where you want to order license

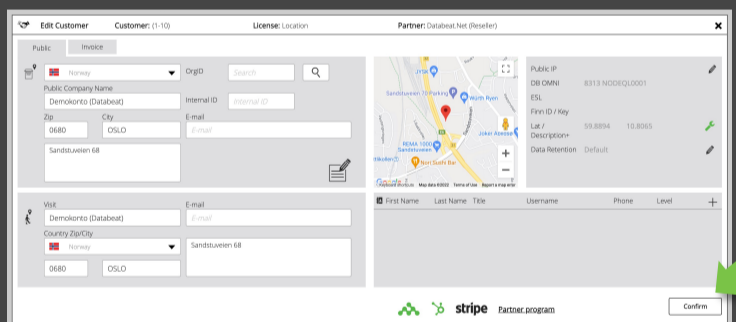

4. Press shopping cart

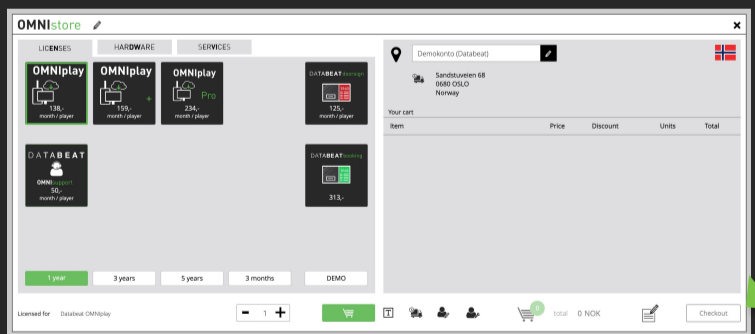

5. Confirm information

Notice: Databeat doesn't invoice the Customers directly but through the partner.

6. Select license and/or additional products

Select licenses and products, and see the prices and your discounts in the right area.

7. Check out

Confirm you shopping cart and check the shipping and invoice information.
