

# P-Series PBX System

## H1 2022 Incentives Overview

Yeostar P-Series PBX System is a “PBX Plus More” product that allows businesses to have uninterrupted communications at all times in a fully-fledged system. Better adapting to varied needs and higher expectations from today’s small-to-medium enterprises, P-Series PBX System boasts greater functionality, optimal usability, and superior user experience to perform beyond any average PBX system. And we believe it would be a great business driver for all of our partners.

As a 100% channel-focused vendor, Yeostar now offers special discount for our **resellers** with the hope that this new product would boost sales growth and generate more sales revenue for you.
