

**PDS Updating Notice (update to the GigSuper PDS dated 29 November 2019)**

Please note that the feature of the app which allows members to increase, decrease or turn off their insurance from within the app is not yet available.

We are working hard to deliver this functionality and will notify all members by email as soon as it is available, but in the meantime if you'd like to:

1. Increase your cover - please complete the insurance application form available on our website and email or post it back to us.
2. Decrease, or turn off your cover - please email [insurance@gigsuper.com.au](mailto:insurance@gigsuper.com.au) with your request.

Please contact us via [support@gigsuper.com.au](mailto:support@gigsuper.com.au) should you have any further queries.

To your success,

The GigSuper team
