

## Tampa Preparatory School Middle School Supply List

Not required, but encouraged for all grades:

- A timer that a student can set with an alarm, and an accurate clock for their workspace at home. This will help students who struggle with time management, who get distracted by their devices or who need to be taking notes/reading/working on their devices. Some students really benefit from external tools for managing time.
- Small dry erase board and markers for studying or for Zoom days

### 6th Grade Supplies

Subject	Supply	Quantity
