

TAMPA PREP

Upper School Supply List

All Upper School Students

- iPad 6th generation or newer - WiFi only - 64GB or greater
- Earbuds with microphone
- iPad and earbud charger
- Backpack or other school bag that can fit all student supplies for the class day. (Locker use will not be allowed during hybrid learning)
- Calculator (recommended: TI-84, students in lower levels only need a scientific calculator)
- Reusable water bottle (there are new refilling stations around school)
- Writing utensils
- Planner (paper or digital)
- Small tissue packs

9th Grade Students (other Upper School students can consider):

- Notecards
- Colored pencils and/or markers
- Highlighters (pack with multiple colors)
- Dry erase markers and small whiteboard
- Composition book
- Lined paper and a small binder or dedicated notebook
- Additional art supplies (construction paper, scissors, glue stick)

Not required, but encouraged for all grades:

- A timer that a student can set with an alarm, and an accurate clock for their workspace at home. This will help students who struggle with time management, who get distracted by their devices or who need to be taking notes/reading/working on their devices. Some students really benefit from external tools for managing time.
- Small dry erase board and markers for studying or for Zoom days

There will likely be additional supplies required for some classes. This information will be shared with students at the beginning of the class in the syllabus or through the class page on PowerSchool Learning.
