

NEED RN / LPN SUPERVISORS?

Let LeaderStat do the work!

Your time is valuable, that's why LeaderStat makes it easy to request Interim RN Supervisors and Floor Nurses. With one click or call, we match excellent candidates from our extensive network to your specific needs so you can continue to do what you do best - without interruption.

INTERIM RN / LPN SUPERVISORS & FLOOR NURSES:

- Maintain structures that support clinical and administrative standards and goals
- Assist the management team to ensure there is adequate staff to meet the needs of the residents
- Are knowledgeable of state and federal regulations governing long term care
- Foster relationships in order to create effective nursing management teams
- Implement systems, processes, and programs to achieve the mission and goals of the organization
