Canada

Canadian Embassies & Consulates, in partnership with provinces, industry associations, and Agriculture & Agri-Food Canada, are pleased to welcome you to the Canada Food Expo Japan & South Korea virtual edition.

Japan and South Korea are important and long-standing partners for Canada's agriculture, agri-food and seafood sectors. Canada's food reflects the diversity of our land, people and seasons, and we are committed to offering a variety of high-quality foods that can satisfy the tastes of consumers worldwide.

We encourage you to navigate this platform to view your meeting agenda and explore some of the many products that Canada has to offer.

*The Kilted Chef*

For more than 10 years, Alain has been an enthusiastic ambassador of local commodities. His travel has included trips across South America, North America, Europe and Asia too, offering enlightening and entertaining presentations. Alain also runs a busy consulting business where he helps restaurateurs and producers. Widely known as The Kilted Chef, Alain is a frequent guest on radio and TV, a prolific recipe creator, food writer and cookbook author. He also offers private group cooking lessons and culinary experiences at his farm in Nova Scotia. Chef Alain is not just a food expert; he is a food industry expert whose share his expertise on the beauty of food and the business of food.

[Email](#) [LinkedIn](#)

**Angela Scammell**  
Scammell & Associates Organization Development Consulting  
*Owner*

**Session:** Tuesday AM panel session "Employee engagement for employee efficiency" - communication

"Results through people and processes" – that's the motto of Angela Scammell's consulting company, and business process improvement. As a Lean Six Sigma Black Belt and Project Management Professional, Angela knows a thing or two about how to find and implement efficiencies. With a masters' degree in adult education and over 30 years of facilitation and leadership experience, she's learned the importance of engaging people in meaningful conversations that make all the difference as to whether efficiencies are fully realized. Angela has led leadership and innovation certificate programs for Nova Scotia's horticulturalists, and also led a workshop during the 2018 Congress. Known for her ability to connect, good humour and positive energy, Angela looks forward to meeting old friends and new at the 2021 Scotia Horticultural Congress!

Keynote Speaker
Jeanne Bliss

Jeanne Bliss helps companies and people become the best version of themselves. She guides them to define, build and live the behaviors and actions that will fuse customers to them, and ultimately create deep and memorable relationships. Creating these deeper relationships has been Jeanne's singular mission for over 35 years.

Often referred to as the "Godmother of Customer Experience," she is one of the foremost experts on customer-centric leadership. She pioneered the role of the Chief Customer Officer, holding the first-ever CCO role at Lands End, Microsoft, Coldwell Banker, and Allstate Corporations. Reporting to each company's CEO, she moved the customer to the strategic agenda, redirecting priorities to create transformational changes to each brands' customer experience. She has driven achievement of 95 percent loyalty rates, improving customer experiences across 50,000-person organizations.

Her ability to effectively guide leaders and companies to earn customer-driven growth is based on these experiences as a practitioner for over 35 years working across organizations to unite the C-Suite and organizational silos; as well as guiding over 20,000 leaders around the world to understand that improving lives should be their most important strategic vision.

Jeanne is the Founder and President of CustomerBliss, and the Co-Founder of The Customer Experience Professionals Association, and she has delivered over 2,000 speeches and workshops for nearly every business vertical in B2B and C2B companies on how to build the roadmap toward these deep and genuine customer experiences that earn passionate advocates both inside and outside of your business.

#### TECHNICAL SUPPORT

[Support Live Chat](#)

NAMPI Information Support Via Text: Please send a message to 504-222-2460.

NAMPI Information Support Via Email: Please email us at [contact@nampi.net](mailto:contact@nampi.net)

#### General Questions

##### How do I log on to the conference?

By August 14, all registered attendees will receive an email with their log in information and details on how to access NAMPI 2020 Virtual Connect. This email will be sent From: NAMPI.live Support (noreply@infernoar.com). Please check your spam/junk folder if you don't see the email in your inbox.

This email will include a link to access the live conference site and your temporary login credentials. **IMPORTANT:** You will need to login into the site using your temporary login within 24-hours of receipt of your email to create your profile and personal password. If you do not receive this email, please email [contact@nampi.net](mailto:contact@nampi.net).
