

InfoGPS Software Order Form: Collabrance MSP

This form will be used by Collabrance to request an InfoGPS license for a new MSP client. The following information is required in order to create a new license and authorized account. The license and user accounts will be made available no sooner than **5 business days** from the date the order form has been received.

The cost of an InfoGPS license for Collabrance MSPs is **\$149.00 Per Month**. For MSPs that wish to subscribe to an InfoGPS license and begin using the technology in the middle of the month, the license fee will NOT be prorated.

Please submit completed form to: orders@collabrance.com

Desired Go-Live Date: _____
