SMART
DIGITAL FOOD SAFETY

CLOUD BASED COMPLIANCE SOLUTION

WHAT IS **SAFE FOOD PRO?**

Safe Food Pro is a cloud based software as a service (SAAS) solution for managing all areas of your food safety compliance.

Safe Food Pro has been designed in New Zealand with input from leading food safety consultants.

Safe Food Pro is a powerful, yet easy to use food safety app that makes your food safety compliance easy.

WHY **CHOOSE US?**

Safe Food Pro is New Zealand's leading provider of digital food safety solutions and trusted by food businesses from single sites to large multi-site operations.

✔ Simple, easy to understand pricing plans.

✔ No contracts or set-up fees.
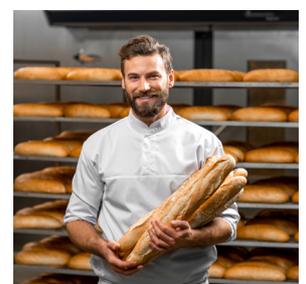

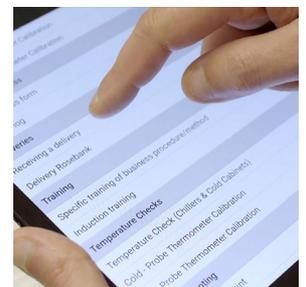

✔ Designed and built in New Zealand.

HOW IT **WORKS?**

Once set-up, your staff will complete scheduled or adhoc tasks using the Safe Food Pro app on a mobile device. Our app has been designed so it is easy for anyone to use. Typical tasks include, temperature checks, cleaning checks and recording deliveries.

Business owners and managers can use the Admin Console to track and report on food safety compliance.

✔ **Mobile App** is used to record scheduled and adhoc food safety tasks.

✔ **Admin Console** (web) is used to set-up and manage your Food Control Plan (FCP).
