

Do it all with style, speed, and performance

Meet the new
Surface Laptop 4 for Business

Performance for multi-tasking, meetings, and more

From video calls at home to virtual collaboration in the office, your work stands out with Surface Laptop 4.

- Get more multitasking power to run the professional-grade apps you depend on, fueled by an 11th Gen Intel® Core™ Processor and custom AMD Ryzen™ Microsoft Surface Edition processors.
- Show your best side with more accurate skin tone colors on video calls, even in low light, with the front-facing 720 HD camera.
- Be heard loud and clear in Microsoft Teams* calls with dual far-field Studio Mics that capture your voice crisply and clearly.
- Hear colleagues and customers clearly on calls. Listen in and be more fully engaged in meetings with Omnisonic speakers.
- Fuel up fast with Fast Charging and get back to your tasks within seconds of opening the lid.
- Type more accurately with responsive, backlit keys. And connect all your peripherals with USB-C® and USB-A.

Work your way in style

Surface Laptop 4 is sleek, ultra-thin, and light. Get it done in your choice of size, color, and keyboard finish.

- Thin, light, and elegant design. Ultra-slim, with a hinge so innovative you can open the lid with just one finger.
- Choose 13.5" or 15" sizes depending on your need for compact mobility or more screen to multi-task.
- See more and do more with Microsoft 365* apps optimized for the Surface signature 3:2 screen ratio.
- Interact naturally with the stunning PixelSense™ touchscreen display that's so responsive you feel like you can reach out and touch your work.
- Choose from rich, tone-on-tone colors including Platinum, Matte Black, Sandstone, and new Ice Blue, and two durable keyboard finishes: warm Alcantara® material or cool metal.¹

Surface for Business unlocks more value

Save time and money with streamlined deployment, modern device management, and built-in, cloud-powered security.

- Surface Laptop 4 lets you stay in control of your sensitive information with a removable hard drive² for data retention.
- Make the most of your investment in Microsoft 365,* with Windows 10 Pro, the protection of Microsoft Enterprise Mobility + Security, and the Office 365* productivity apps you rely on.
- Deploy and manage down to the firmware layer through the cloud with Microsoft Endpoint Manager* and DFCI.³
- Includes Advanced Exchange, an expedited replacement service, at no additional cost.⁴

*Sold separately

**AMD Ryzen™ Microsoft Surface® Edition processor only available in select configurations.

¹ Colors available on selected models only. Available colors, sizes, finishes, and processors may vary by store, market, and configuration.

² Hard drive is not user removable. Hard drive is only removable by skilled technician following Microsoft provided instructions

³ Surface Go and Surface Go 2 use a third-party UEFI and do not support DfCI. DfCI is currently available for Surface Laptop 4, Surface Pro 7+, Surface Laptop Go, Surface Book 3, Surface Laptop 3, Surface Pro 7, and Surface Pro X. [Find out more](#) about managing Surface UEFI settings.

⁴ Advanced Exchange Service is available at no additional charge with the following Surface for Business products: Surface Laptop 4, Surface Pro 7+, Surface Laptop Go, Surface Book 3, Surface Go 2, Surface Laptop 3, Surface Pro 7, Surface Pro X, Surface Pro 6, and Surface Laptop 2. Advanced Exchange is only available in supported markets. Restrictions apply. See Surface for Business warranty page for AES terms and conditions and list of supported markets.

⁵ Requires license or subscription to activate and use.

⁶ Activation required. If your device is managed by your organization's IT department, contact your IT administrator for activation. After 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See <https://aka.ms/m365businesstrialinfo>.

⁷ System software and updates use significant storage space. Available storage is subject to change based on system software updates and apps usage. 1GB = 1 billion bytes. 1TB = 1,000GB. See [Surface.com/Storage](#) for more details.

⁸ Surface Laptop 4 battery life: Up to 19 hours on Surface Laptop 4 13.5" AMD Ryzen™ 5 Microsoft Surface Edition; up to 17.5 hours on Surface Laptop 4 15" AMD Ryzen™ 7 Microsoft Surface Edition; up to 17 hours on Surface Laptop 4 13.5" Intel® Core™ i5; up to 16.5 hours on Surface Laptop 4 15" Intel® Core™ i7. Battery life based on typical Surface device usage. Testing conducted by Microsoft in February 2021 using preproduction software and preproduction devices. Testing consisted of full battery discharge with a mixture of active use and modern standby. The active use portion consists of (1) a web browsing test accessing 8 popular websites over multiple open tabs, (2) a productivity test utilizing Microsoft Word, PowerPoint, Excel and Outlook, and (3) a portion of time with the device in use with idle applications. All settings were default except screen brightness was set to 150nits with Auto-Brightness disabled. Wi-Fi was connected to a network. Battery life varies significantly with settings, usage and other factors.

⁹ Requires Dolby Atmos® encoded content and audio.

¹⁰ Microsoft's Limited Warranty is in addition to your consumer law rights.
