SafeMask® Architect Pro™

Surgical N95 Respirator

PROUDLY MADE IN CANADA

BY THE MEDICAL MASK EXPERTS

Reliable respiratory protection that filters out over 95% of particulate aerosols free of oil

Made according to recognized biocompatibility, flammability and fluid resistance standards for use in healthcare facilities, the Medicom SafeMask® Architect Pro™ ensures reliable respiratory protection by filtering more than 95% of airborne particles free of oil. Its innovative "duck bill" shape provides optimal breathability with no exhalation valve required. Provides up to 8-hours of protection. Available in 3 sizes.

Medicom SafeMask Architect Pro N95 surgical respirator has full approval from the National Institute for Occupational Safety and Health (NIOSH) of the Centers for Disease Control and Prevention (CDC) under approval number TC-84A-8375. NIOSH certification means that the respirator has met the requirements of Title 42, Code of Federal Regulations, Part 84 (42 CFR 84).
