

Asahi Kasei Asaclean Americas

Dear Asahi Kasei Asaclean Americas Customer,

Thank you for your interest in Asaclean PLUS purging concentrate.

I have attached our TDS and SDS for your review.

As discussed, Asaclean PLUS is designed to be used as a mixture with production resin and not by itself in the barrel. Do not feed only Asaclean PLUS in the barrel.

With your acknowledgement of this important information, via response to this email, I will have your order of Asaclean PLUS released for shipment.

Please feel free to reach out with any additional questions that you may have.

Sincerely,

Asahi Kasei Asaclean Americas
