

Miscellaneous Lab Test Instructions

Thank you for choosing RL Food Testing Laboratory for your Lab Test needs. We appreciate your business.

Please complete the attached Miscellaneous Lab Test form required to submit with each food sample(s) you are requesting for testing. Contact us if you do not have a form. A completed form is required to accompany each sample product.

Instructions:

- Complete the Miscellaneous Lab Test form (one form for each product sample)
- Submit a sample of finished product in the weight prescribed by the lab in the quote
- Ship FedEx or UPS 2nd Day Air
- Use cold packs as necessary
- Send samples in non-breakable containers, preferably plastic or aluminum
- The Lab is closed on weekends – please no Saturday or Sunday deliveries
- Once samples are submitted, testing cannot be modified or canceled
- Ship sample(s) and form(s) to:

RL Food Testing Laboratory
1824 1st Street
San Fernando, CA 91340

Testing turnaround time is dependent on the test performed and will be explained at the time of quote.

When the test is complete, you will receive a report from our lab with your results of your sample test; included with the results is an interpretation of the results from our senior chemist. This summary report is a unique and valuable addition for your benefit and is included as part of our testing service.

Thank you again for choosing RL Food Testing Laboratory. Call us if you have any questions or need any further services. 877-753-6631

We provide nutritional information using US FDA compliant nutrition label software, with the accuracy of the label content 100% dependent on what we receive from you, our clients. Laboratory service results are dependent on both the input we receive from you regarding the ingredients in your product and the quality of the product sample you send to us. Product quality is dependent on the product temperature when shipped, the container used to ship your product to us and the integrity of the sample we receive from you. We are not responsible for any errors that may occur based on your input or the poor product quality we receive from you. RL Food Testing Laboratory is not responsible for any consequential or other damages. All claims against RL Food Testing Laboratory are limited to the cost of services rendered.
