

National Hose & Accessory
Agility, ability and fierce commitment.

ABOUT OUR COMPANY

Founded in 1985, headquartered in Houston, Texas, and housed in a 50,000 sq. ft. main facility, NHA serves a diversified market that includes oil & gas, petro-chemicals, transportation, construction, food/beverage, original equipment manufacturers, and related industries. We also support the Permian Basin market via a branch in Odessa, Texas and the Dallas-Ft. Worth market through our recently acquired affiliate Texas Rubber Supply.
