

## Sheet Rubber, Gaskets Extrusions and Molded Rubber Parts

A Premier Group of Value Add Industrial Rubber Distributors

From gasket material off the shelf ready to ship, to complete custom fabrication, let us be your source for gaskets, sheet/rolled goods, extrusions and custom molded parts.

## MARKETS SERVED

- Food
- Chemical
- Pulp and Paper
- OEM
- PVF
- Oil and Gas
- Marine
- Pump Rental
- Pharmaceutical
- Transportation
- Military
- Mechanical Contractor
- Petroleum
- Power Generation
- Waste Water Treatment

## GASKETS AND SHEET

We stock a variety of materials including but not limited to:

- Red Rubber
- Neoprene
- Nitrile
- Carbon
- EPDM
- Silicone
- Viton
- Graphite
- Hypalon
- Vegetable Fiber
- Compressed Sheet Cork
- PTFE Teflon™

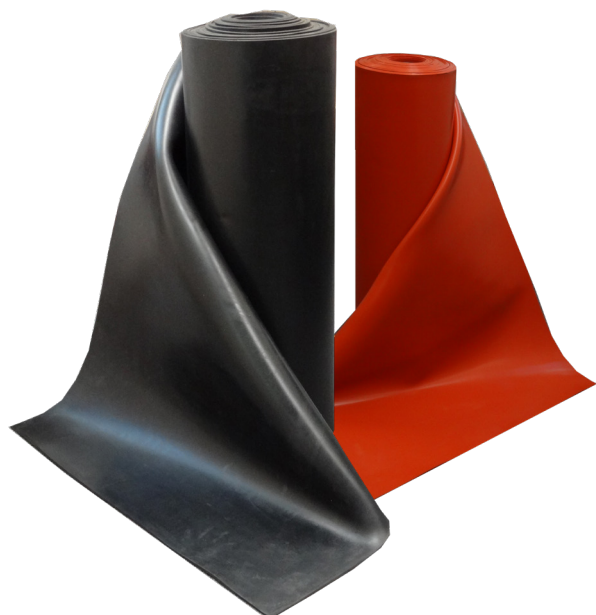

Our Gaskets can be custom made off the shelf and come in a variety of materials and thicknesses such as:

- Non-Asbestos,
- Teflon
- Diaphragm
- Rubber, all types
- Sponge

Whether you have a blueprint or CAD drawing, if you can describe it we can make it, any shape and quantity.

## SHEET RUBBER

Extra thick, super thin or doublewide, we supply calendered sheeting to fit your request -- including custom design, specialty fabrics and backing.

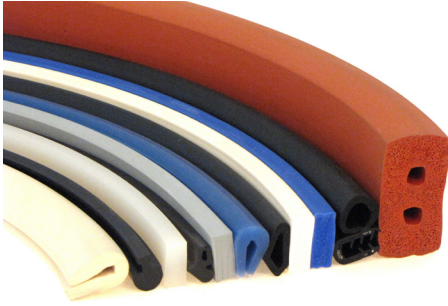

### Specifications Available:

- ASTM
- SAE
- BMS
- FDA
- NSF
- Mil Spec
- Commercial Grade

### Available Materials:

- EPDM
- Neoprene
- Nitrile
- Silicone,
- Viton
- SBR, and many others.

# FOR ALL YOUR INDUSTRIAL GASKET NEEDS

## EXTRUSIONS

We stock many different profiles and can custom-design extruded profiles of any size, shape and length in a wide array of solid rubber compounds with various durometers. Sponge rubber extrusions in standard profiles are also stocked in various densities and hardness.

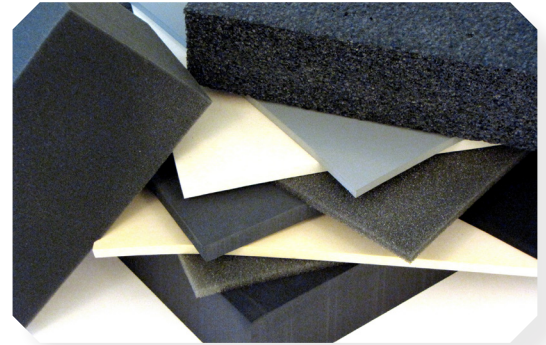

Custom profiles can also be designed in any size and in many different compounds, and offered in small runs for all OEM and aftermarket applications.

## SPONGE

Our line of sponge and foam materials services many industries:

- Aerospace
- Automotive
- Packaging
- Soundproofing
- Heat press transfer
- Insulation

Our material is available in a broad array of thicknesses and styles including sheets & rolls, with or without adhesive backing.

## CAPABILITIES

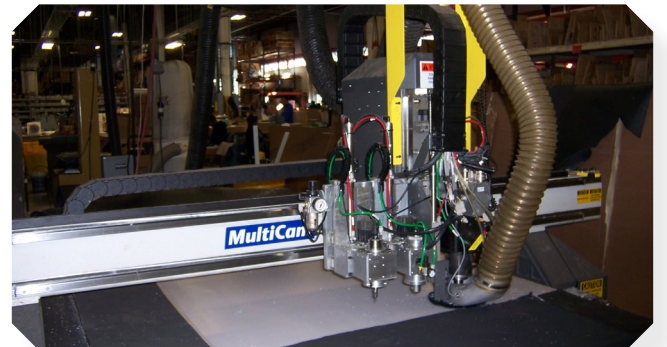

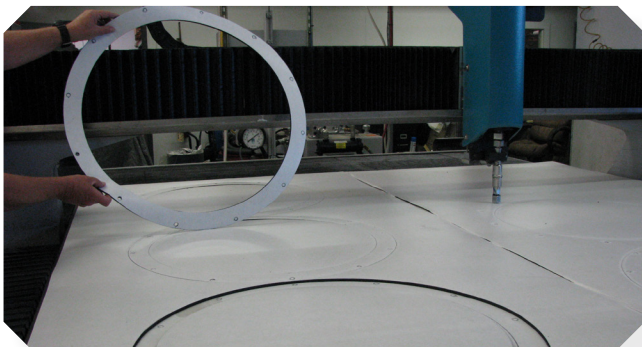

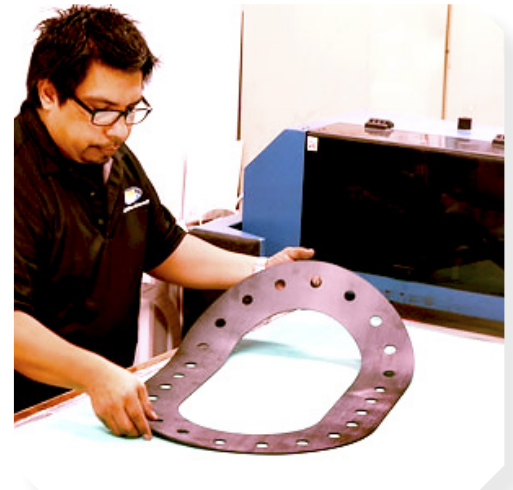

We utilize the latest technology including precision CNC controlled waterjet/flash cutting. This allows for low or high volume precision parts to be made efficiently, minimizing cost and production time.

### Fabrication:

- Die cutting
- Stamping
- Stripping
- Slitting

### Specifications:

- ASTM
- Mill Spec
- AASHTO
- AMS
- SAE
- FDA
- NSF

## Locations

A Premier Group of Value Add Industrial Rubber Distributors

### Custom Molded Rubber Products

We are industry leaders in Custom Molded Rubber Products for volume OE or replacement parts.

We supply a wide variety of molded rubber parts for Commercial, Industrial, Military and Aerospace applications.

Custom molded rubber parts are available from elastomers including Mil Spec, AMS, BMS, ASTM, FDA, NSF, SRE and custom compounds with low tooling cost and fast shipping.

We stock a large inventory of grommets, button bumpers, stem bumpers, recessed bumpers, motor mounts, suction cups, bellows, stoppers, crutch tips, rollers, sleeves and washers.
