## Industrial Rubber and Plastics

### WHO WE ARE

For nearly a half of a century, we have been one of the Midwest's leaders in hose, conveyor belting and plastics. We supply products from some of the largest and most respected names in the industry. Working closely with both our customers and suppliers we strive to provide the safest, most efficient, and longest lasting solutions.

### OUR SERVICES

On-Site and In-House, OnGuard Hose Management services are tailored to customer needs. We create person to person relationships and programs tailored to address the needs of a customer to lower procurement costs, maximize productivity, create a safer work environment and/or manufacture a safer product.

### OUR PARTNERS

Smith Industrial has joined the Singer Equities family of industrial distributors. Singer Equities is a group of value-added distributors in the industrial rubber products industry. We have 39 locations in the U.S. that service a diverse market portfolio including petrochemical, oil/gas, food & beverage, OE equipment, marine, MRO, construction, rental supply.
