

Cherished Car

Geo Private Clients

We understand that your client's classic car is often considered part of the family, so we treat it with the same respect and care.

We provide a limited mileage car insurance policy catering for all vehicles over 25 years old.

Key product features

- Agreed value cover subject to provision of 5 photographs
- 90 days European cover – provided visits are temporary and do not exceed 30 continuous days per trip
- Optional annual mileage limits up to a maximum of 7500
- Salvage retention option, where legislation permits
- Policyholders 25-77 years of age
