Geo Private Clients

Underwritten by Chubb, the Masterpiece High Net Worth Motor policy is widely recognised by car collectors as a respected market leading policy.

The policy provides quality cover for your client, regardless of the models they own. Be it prestige and family cars, classic cars or rare supercars, you can be confident your clients have complete protection for their treasured assets.

The breadth of this policy is second to none. With an outstanding claims service and a unique approach to appraisals your clients will get complete protection for their favourite assets.

Key product features

- Diminution In Value (DIV) pays policyholders the difference between a car's market value before and after a repair
- You choose the most suitable repairer
- Automatic comprehensive cover on borrowed vehicles
- We pay the agreed insured value
