

Late-Night Venues

Sports, Leisure & Entertainment

We understand that late-night venues are different to pubs and nightclubs, which is why we have created a specialist product aimed at this niche sector.

Whether your client has a wine, cocktail or themed bar, our underwriters understand the challenges venues face when serving alcohol and can provide a solution to protect their business assets.

Key benefits for your clients:

- Protection for Damage to Property
- Cover for Customer Injury
- Comprehensive Money cover
- Cover for Commercial and Legal Expenses
- Access to our Geo Terrorism cover, a market leading product with a Business Interruption limit of up to £1 mil.
