DEVOTIONS FOR LENT 2022

Music Suggestions

Music expresses the joys and challenges of a life of faith in ways that words cannot. It has always played an important role in the lives of believers. Many of the songs of the ancient Hebrew people are recorded in the Bible in the book of Psalms. Early Christians gathered each week for songs, prayers, and holy communion. Martin Luther wrote many hymns that we continue to sing today.

The hymns in this document relate to the Bible passages and reflections in *Grace Unbounded*. These hymns come from both *Evangelical Lutheran Worship* (ELW) and *All Creation Sings* (ACS).
