

Then we bring the box of fruits and vegetables to your house!

You get to unpack the box and enjoy the yummy food!

My favorite fruit or vegetable is: _____

Boston
ORGANICS
Fresh. Organic. Delivered.

COLORING BOOK

Where do Boston Organics' fruits and vegetables come from?

BostonOrganics.com

Name: _____ Age: _____

It all starts when the farmer plants seeds. With plenty of water and sunshine, those seeds start to grow into fruits and vegetables!

When the plants have grown big and strong, the farmer picks them from the field.

The farmer brings the fresh fruits and vegetables to our warehouse.

We pack these fruits and vegetables in our big green boxes and put them into our vans!
