
Dr. Ibrahim Mujir

Attending Geriatrician

After nearly four decades of experience in family medicine, Dr. Mujir has come to understand the benefits of bringing care to senior clients where they are, whether in their home or in a care facility. He appreciates the Lifesprk philosophy of working together with clients, listening to their life stories, determining their desires and then helping them navigate the care strategies that are best suited for their unique situations.

Behind his gentle, attentive demeanor is a physician who is dedicated to comprehensive disease management, willing to tackle complex medical problems. As part of the Lifesprk team, his hope is that his passion and commitment will contribute to changing the aging experience.

A graduate of Gandhi Medical College in Hyderabad, India, Dr. Mujir completed his internship and residency at Hennepin County Medical Center in Minneapolis, Minnesota. He is currently affiliated with North Memorial Health and is a member of the Hennepin County Medical Association, the Minnesota Academy of Family Physicians, and the American Academy of Family Practice.
