Anna is a recent addition to the GBQ team as an assurance manager in our Cincinnati office and will be serving clients in the middle market space across several industries. Prior to joining GBQ, Anna was a full-time MBA student and recently completed her MBA degree at the University of Cincinnati. Previously, Anna was an audit manager with BDO USA, LLP where she served clients in the restaurant, manufacturing and technology industries. Anna was an integral team member of BDO's restaurant practice and served startup to mature brands, including independents, franchisees, and franchisor concepts. Anna has an in-depth understanding of the challenges and accounting issues facing the restaurant industry, as well as internal controls that help companies protect their assets and drive efficiencies. She also manages audits of employee benefit plans.

Upon graduating from the University of Cincinnati with her undergraduate degree in accounting, Anna began her accounting career at Deloitte in its Cincinnati office where she served large and small organizations, including SEC registrants and privately held companies across many industries such as financial institutions.
