Lorani joined GBQ in 2019, where she provides tax services across a variety of industries, including service, construction, healthcare, real estate and nonprofit organizations. Specifically, Lorani provides tax compliance, consulting and tax planning services to closely held businesses and their owners while also assisting clients with their business planning and tax examination needs.

Additionally, Lorani oversees a variety of tax compliance engagements for partnerships, corporations and individuals. Her experience also extends to supervising, training and developing associates within the tax department.

Lorani is active within the nonprofit community serving as treasurer to various organizations, including The Crawford Crew located in Columbus, OH.
