## Bachelor of Science in Nursing

Transfer, 2-year track

### Top-Ranked Nursing Program

Do you dream of joining the nation's largest health care profession? A Bachelor of Science in Nursing (BSN) is a critical first step for a career in professional nursing. Known for its positive energy, the classroom environment at Research College of Nursing is a place where students feel like family among their teachers and peers. Trusted for over 115 years, RCoN is committed to . . .

**Educating Nurses | Developing Leaders | Caring for Communities**

### Jumpstart Your Future

High school students and college freshmen who meet ACT and GPA requirements are eligible for early admission acceptance. Nursing coursework begins each fall and requires two years to complete.

This unique process allows you to:

- Guarantee your seat in a BSN program before starting college
- Fulfill nursing pre-requisites at a college or university of your choice
- Access premier clinical experiences and nursing education through Research College of Nursing
- Network within the region's largest healthcare organization, HCA Midwest Health

Graduates go on to work locally, nationally and internationally in a variety of different areas including medical, surgical, ICU, pediatrics and more. Many continue their education at RCoN, earning a Master of Science in Nursing. Alumni pursue various careers such as school nurses, nurse practitioners, nurse anesthetists, nurse educators, nurse executives, and certified nurse midwives.

### 60 credit hours of pre-requisites required:

Statistics	3 credit hours	English Composition I	3
Nutrition	3	English Composition II	3
College Algebra	3	Social Science elective	3
Chemistry with lab	4	Communication elective	3
Anatomy & Physiology w/ lab	6 minimum	Intro or General Psychology	3
