4.2 Without limiting the circumstances that may apply for clause 4.1(b), such circumstances may include:

- (a) if placement with the Provider [AIT] would not be in the best interests of the displaced student; or

### Attachment B – Conditions on Approval

The following condition is imposed on Approval;

1. The Provider [AIT] must, while the Exemption is in place, comply with the Exemption Conditions set out in Attachment A to this notice.

#### **Reasons for imposing conditions on approval**

The reason for imposing this condition on the Provider’s [AIT’s] Approval is to ensure that adequate and appropriate measures are in place to support students and the Commonwealth in the event that the Provider [AIT] or another approved provider ceases to provide an approved course at any time after the course starts

but before it is completed. This is important to ensure the sustainability of the VET Student Loans Program and to allow students to continue their vocational education and training with minimal disruption.

- the course must lead to the same or comparable qualification as the original course;
- the mode of delivery of the replacement course must be the same as or, with the student's consent, similar to the mode of delivery for the original course;
- the location of the replacement course must be reasonable, having regard to the costs of, and the time required for, a student's travel; and
- the student will not incur additional fees that are unreasonable and will be able to attend the replacement course without unreasonable impacts on the student's prior commitments.

11. A student who accepts the replacement course offered will not be required to pay the replacement provider for the replacement components of the replacement course. However, the fees payable for the remainder of the replacement course may be different from the fees payable for the original course.

12. A student who accepts the replacement course offered will also receive course credits for parts of the original course successfully completed by the student, as evidenced by:

- a copy of an authenticated VET transcript issued by the Student Identifiers registrar.

13. Each affected student will have a period of six (6) months in which to accept the replacement course offer. The Department may extend that period in circumstances that justify an extension.

14. If an affected student enrolls in a course that is not a replacement course, the student may be required to pay additional tuition fees, and might not receive the course credits the student would have received if the student had enrolled in a replacement course.
